

# Apply for our awards, prizes and grants

Find out more about all  
our awards and apply at  
[www.bps.ac.uk/awards](http://www.bps.ac.uk/awards)

**Our prizes, awards and grants recognise the contributions of our members throughout their careers to pharmacology in all its forms. These include:**

## Prizes

- The **Rang Prize** and **Zaimis Prize** recognise contributions to teaching.
- The **Vogt Prize**, **Vane Medal** and **Grahame-Smith Prize** recognise excellence in research.

## Lectureships

- The **Bill Bowman Prize Lectureship** and **Dunlop Prize Lectureship** support the professional development of early career researchers.

## Study awards

- The **Schachter Award** supports postgraduate students learning a new technique away from their institute.
- The **Pickford Award** provides up to £10,000 to assist post-doctoral researchers with career-enhancing opportunities.
- The **Bülbring Award** provides up to £10,000 to help members to access training opportunities following a career break.
- The **WDM Paton Historical Research Fund** supports the efforts of anyone who is studying some aspect of the history of pharmacology.

## Grants

- The Society offers a number of grants to support teaching, engagement and the organisation of meetings and events.
