Tuesday 18 December 2018	
7.30	
7.45	
8.00	
8.30	
8.45	
9.00	08.00 - 10.00 Bootcamp: Academia and industry: How to navigate the (many) crossroads of a research career
9.30	
10.00	10.00 - 11.00 Plenary Mene Pangalos - Hot trends in pharmacology: New science and the business landscape
10.30	
10.45	11.00-11.45 Refreshments and flash posters
11.00	
11.30	11.45-13.30 Workshop Tools and translation in GPCR drug discovery
11.45	11.45-13.30 Symposium Targeting calcium ion channels in disease
12.00	11.45-13.30 Symposium Drug development to target the ageing process
12.15	11.45-13.30 Symposium Glial cells: A rich therapeutic resource?
12.30	11.45-13.30 Symposium ELRIG: Driving Drug Discovery through novel industry-academic engagement
12.45	11.45-13.30 Workshop Let's get engaged: Marrying Pharmacological research to Impact
13.00	9.30-16.00 Specialty Registrar Training Session
13.30	
14.00	13.30-15.00 Lunch and poster viewing
14.15	13.30-14.40 Sponsored session
14.30	
14.45	
15.00	15.00-16.30 Oral Communications 6x15 minutes
15.30	15.00-16.30 Oral Communications 6x15 minutes
15.45	15.00-16.30 Oral Communications 6x15 minutes
16.00	15.00-16.30 Oral Communications 6x15 minutes
16.15	15.00-16.30 Oral Communications 6x15 minutes
16.30	15.00-16.30 Workshop/debate Tackling the reproducibility crisis in preclinical drug discovery
16.45	16.30-17.00 Tea & Coffee break
17.00	17.00-17.45 Plenary / prize lecture Lilly Prize - Adam Cohen
17.30	17.45 - 18.00 Prize Giving
17.45	
18.00	
18.15	
18.30	
18.45	
19.00	18.00 - 21.00 Welcome Reception (ticketed) QEII Conference Centre
19.30	
20.00	
20.30	
21.00	
21.30	
22.00	

Wednesday 19 December 2018	
08.00 - 09.00 Bootcamp: How to Effectively Peer Review	
9.00-10.45 Symposium Cardiac non-myocytes; emerging therapeutic targets	
9.00-10.45 Symposium New Psychoactive Substances: pharmacology influencing practice, policy and the law	
9.00-10.45 Symposium Experimental models of inflammation in man: driving drug development	
9.00-10.45 Symposium Immunogenicity – prediction and control of unwanted immune responses to biological drugs	
9.00-10.45 Symposium The role of biomarkers in translational pharmacology	
11.45-13.30 Symposium Medicines optimisation – how could clinical pharmacologists contribute?	
10.45 - 11.30 Refreshments and flash posters 45 mins	
11.30-12.15 Plenary / prize Gary Price Memorial Lecture - Andrew Plested	
12.15-13.00 Plenary / prize lecture Gaddum International Lecture - Charles Serhan	
13.00-14.30 Lunch and poster viewing	
13.15-14.15 Medical Student Abstract Competition	
13.15-14.15 AGM	
13.20-14.10 Sponsored session	
14.30-16.00 Oral Communications 6x15 minutes	
14.30-16.00 Oral Communications 6x15 minutes	
14.30-16.00 Oral Communications 6x15 minutes	
14.30-16.00 Oral Communications 6x15 minutes	
14.30-16.00 Oral Communications 6x15 minutes	
14.30-16.00 Workshop Clinical Pharmacology Skills Alliance (CPSA)	
16.00-16.30 Tea & Coffee break	
16.30-17.30 Plenary John Mattick	
17.30-17.45 Prize giving	
18.45 - 22.00 Annual Dinner and Prize Giving (ticketed) One Whitehall Place	

Thursday 20 December 2018	
08.00 - 09.00 Bootcamp: Education	
9.00-10.45 Symposium Drug Repurposing: Opportunities and Challenges	
9.00-10.45 Symposium Celebrating the 20-year anniversary award of the Nobel Prize for NO	
9.00-10.45 Symposium Biosimilars: From science to the patient	
9.00-10.45 Symposium How to choose the clinical dose: EDSO and the therapeutic window	
9.00-10.45 Workshop Innovations in Pharmacology Education	
9.00-10.45 Workshop Innovations in Life Sciences, New Medicines, New opportunities	
10.45 - 11.30 Refreshments and flash posters	
11.30-12.15 Plenary / prize AstraZeneca Prize for Women in Pharmacology - Fiona Marshall	
12.15-12.45 Plenary / prize lecture Drug Discovery of the Year	
12.45-14.00 Lunch and poster viewing	
13.00-13.50 Sponsored session	
14.00-15.15 Oral Communications 5x15 minutes	
14.00-15.15 Oral Communications 5x15 minutes	
14.00-15.15 Oral Communications 5x15 minutes	
14.00-15.15 Oral Communications 5x15 minutes	
14.00-15.15 Oral Communications 5x15 minutes	
14.00-15.15 Oral Communications 5x15 minutes	
15.15-15.30 Tea & Coffee break	
15.30-17.00 Plenary Artificial Intelligence	
17.00-17.15 Prize giving and closing remarks
